"We're introducing our guests to sizzling, delicious and craveable Fajitas in only the way Applebee's can – by loading them up with queso and bacon," said Joel Yashinsky, chief marketing officer at Applebee's. "Our industry-leading culinary team has taken this classic dish to a whole new level that our guests have been telling us surpasses their expectations and delivers real value. Our Loaded Fajitas are truly an experience for all of your senses."

Each order of Loaded Fajitas is served with fajita vegetables and Spanish rice and comes with warm flour tortillas, a blend of cheddar cheeses, guacamole, lettuce, lime wedge, sour cream and house-made pico de gallo. Guaranteed excitement for the senses!

With nationwide availability of Loaded Fajitas, Applebee's is coming to the aid of Americans affected by a condition Applebee's has coined, "low sizzletonin." Symptoms include cold hands, a lack of fullness and sudden bouts of sarcasm. The cure? Heading to Applebee's for new Loaded Fajitas. To check your symptoms, head over to [Sizzletonin.com](http://Sizzletonin.com). Psst, low sizzletonin isn't a real thing – we made it up. But, Loaded Fajitas are bound to make anyone's day just a little bit brighter.
