These classic and craveable entrées are each served with a side of coleslaw and classic fries, for a full meal that won't stop coming. But unlike these unlimited mouth-watering meals, this offer is for a limited time, so hurry in before it's gone!

"Summer is all about gatherings, and the limitlessness of All You Can Eat lets the good times at Applebee's keep on rolling," said Joel Yashinsky, chief marketing officer at Applebee's. Don't forget, each All You Can Eat option is perfectly paired with a succulent sauce to top off the meal. Savor tender Riblets served dripping in Honey BBQ sauce, Chicken Tenders with dunkable Honey Dijon Mustard or Double Crunch Shrimp
