Leading the pack is Applebee's own **Quesadilla Burger**, available for a limited-time price of only \$7.99*, starting today. The restaurant's original creation is part burger, part quesadilla, piled high with Pepper Jack cheese, Applebee's signature Mexi-ranch sauce, crispy Applewood-smoked bacon, house-made pico de gallo and shredded lettuce in a crisp, warm Cheddar quesadilla. To top it off, this limited-time deal also includes endless fries to complement the burger's endless flavor.

"The Quesadilla Burger is one of our guests' favorites at Applebee's, so we wanted to bring a hot deal to its loyal fans and tempt those who haven't tried it yet," said Joel Yashinsky, chief marketing officer at Applebee's.
