"Art's decades of crafting dishes to satisfy guests' appetites has demonstrated that he is an innovator in his field, and we welcome this expertise and skill into his new role at IHOP," said Donahue.

"Success in this position requires skills across culinary innovation, franchised restaurants, and product sourcing, among others, and

we are confident in Art's abilities to perform above and beyond in each of these areas."

Carl brings more than 30 years of experience within the food and beverage industry, serving in several roles for hospitality groups, restaurants, and breweries. Most recently, he held the position of Vice President, Culinary and Beverage R&D for Dave & Buster's Inc. In that role, he was recognized by the industry for his commitment to introducing new menu items. He also successfully led culinary and beverage strategy and innovation and established a passionate culture of food and beverage including brand identity.

"Bringing smiles to people's faces and plates is a goal I always strive to achieve, and as the leader in breakfast with continued success throughout the PM daypart in lunch, dinner, and late night, IHOP is a natural fit for the next chapter of my career," said Carl. "I am thrilled to have the opportunity to bring IHOP's brand promise to life for guests across both dine-in and off premise menu strategies by continuing to serve innovative menu items with craveable, quality ingredients."
